

Langar Village Pond Trust

Help us to recreate this...

from this.....

... to something like this.

For several hundred years a village pond existed under what is now the front car park of the Unicorn's Head public house in Langar. The Langar Village Pond Trust has taken out a long term lease of the site from Everard's Brewery with the aim of restoring the pond to its former glory and to maintain it as an asset for the village. To achieve our aim we need your help. This could be in raising funds, helping with the construction of pond, sharing your specialist knowledge or just giving us your moral support.

Please help us by joining the Trust. See overleaf for details.

Langar Village Pond Trust

I/We would like to become a member/members of the Langar Village Pond Trust.

Name (s):

Address:

Telephone Number:

e-mail:

Full Member (Age 13 and over): _____ @ £2.00 = _____
